

Shift Rota

Thu 8 Oct 2026 – Wed 7 Apr 2027 • Monday to Friday, plus Saturdays

ISSUED	COVERS	STAFF	STATUS
Wed 7 Oct 2026	8 Oct 2026 – 7 Apr 2027 (6 months)	Ramish · Brett Smith · Darren Hopwood	Issued

1 How the rotation works

- **Monday to Friday:** two on shift each day – **one early, one late**. The third person is off shift that week.
- The three rotate **weekly**, on a **3-week cycle**. So over three weeks each person does one early week, one late week and one rest week – then it starts again.
- **Cycle week 1:** Ramish early · Brett late · Darren off.
Cycle week 2: Brett early · Darren late · Ramish off.
Cycle week 3: Darren early · Ramish late · Brett off.
- **Saturdays:** one of the three on site, alternating in order – Ramish, then Brett, then Darren, then back to Ramish. One Saturday in three for each.
- Shift times are left blank on purpose – add them once agreed (see the note at the foot of this sheet).

Read this before you pin it up.

- **Shift times are not on this sheet.** Early and late start/finish times were not given, so no times have been invented – tell me the times and I will add them and reissue.
- **Swaps:** any swap between two people is fine as long as the shift is still covered and it is agreed in advance – write it on the sheet.
- **Balance over the six months:** 27 rota weeks – each person gets 9 early weeks, 9 late weeks and 9 rest weeks. Saturdays: Ramish 9, Brett 9, Darren 8 (26 Saturdays does not divide by three, so one person has one fewer).
- **Bank holidays** are not marked on this sheet. Ask if you want them flagged.
